

Documentation about usage and advantage of a chosen App in a prepared short lesson in classroom

Demolesson Erasmusproject

Subject of the short lesson: English

Class & age of students: 6a, 7c, age 15-18

Place: BG + BGR Feldkirch, Rebbergasse 25-27, 6800 Feldkirch / AUSTRIA

Author team: Johanna Wieser, Christina Schindegger, Dominik Bont, Luka Kovacevic, Mira Stockinger

Chosen App: PONS Vokabeltrainer

Issue to demonstrate & show the chosen App: preparation for a vocab revision

Usage of the App (documentation):

- short overview of the App & explanation of what they have to do
- the students get time to study the vocabulary
- vocab revision

Advantage of chosen App:

- different types of learning for each individual learner
- easy and fast use
- you see your mistakes so you can repeat them
- no costs
- different languages
- diversified
- you don't need wifi
- you're able to creat your own vocabulary check
- you can listen to the right pronunciation
