

Food bank

We have a foodbank in our school because the food bank in Capelle aan den IJssel has an action.

A foodbank is an organization that give food to poor people, who do not have enough money to buy foods.

As you can see in he boxes we have collected: tee, candy, Soup, drinks, bread, cake, tomato soup, soap, spices, toothpaste, beans, pasta, pancake tips, spaghetti etc. The children can get a bag with food for schoolbreaks.

Do you have a foodbank too ?
