Burns Supper

Fisherford School came to Easterfield for our 'Burns Supper'. Mums, Dads, Grannies and Grandpas came too. We also had visitors from Poland. It was lovely to see them again.

This is our new cook, Andy, bringing in the haggis.

The older children made speeches and all the children entertained with Scots poems and songs. We don't think the Polish teachers understood them. There were a lot of people in our classroom.
