SINTERKLAAS !

At 5 December we celebrate the birthday of Saint Nicolas. He and his mates called Piet come to our school. We welcome them in the hall and sing songs for him. He gives presents to the children. WE, the oldest group play games to get presents we made for each other. The presents we call surprises because they are wrapped in very creatively and also we make a rhyme.

On the website of our school and on you-tube you can see movies we made of this event. www.hetbakencapelle.nl
