BLABLA JOURNAL

THE EXPERIENCE...

In January, the children of the school and their teachers went to the cinema together to see the movie: WONDER.

The film tells the story of Aggie who wins his personal battle against superficiality and indifference of other kids with silence and love..

*“My name is August.
I won't describe what I look like.”*

Some of pupils are reading the books, other the digital format on Kindle. This work led them to reflect first the difference between the story told in the book and shown in the movie then the difference between reading a book and an e-reader.

... AND THE REFLECTION.

Auggie wants to be an ordinary ten-years-old.

He does ordinary things: eating ice-cream, playing x-box. He feels ordinary inside. But ordinary kids don't make other ordinary kids run away screaming in Playgrounds. Ordinary kids haven't stared wherever they go.

Born with a terrible facial abnormality, Auggie has been home-school and he's dreading it. All he wants is to be accepted.

Will he convince his new classmates that he's just like them, underneath it all?

Auggie's story deals important topics as social inclusion, bullying and acceptance of others different from us.
