## **FIREWORKS**

You have show fireworks and fireworks with big bangs.

In the Netherlands we use both fireworks at special occasions . People celebrate that on Kingsday. But the most at old and newyearsday Thats is becoming mostly 31 december celebrates, but some use the bigbang firworks the whole day of 31 december (sometimes it is illegal firworks ).

For example cobra's, that is firework were you fingers can be lost.

So it is dangerous to ignite fireworks yourself.
