

## FURRIES

Furries are living dolls with which you can do something like play with you know tattle tail that is a toy for children you can talk to it and much more like cuddling, eating there is also a horror frenzy of it.

It is a fun game if you love scaring, be aware of Mama in that game. The theme of that is Christmas. There is another kind of furry that fits people with a suit, so a wolf with many colours in a costume.

Even if you go a step further, you call that cosplay. Cosplay is also that you walk around in anime milling around. There is also a meeting of that furries cosplay superheroes and many more come together.

I, Zoë go there with my girlfriend.
