

Easterfield Bla Bla

We came back from our October Holiday on Monday 24th. Mrs Heggie told us all about her trip to Poland and gave us some gingerbread. Yummy!

We all entered an Art Competition with the best 13 pictures to be chosen for a 'SCARF' Calendar. SCARF stands for 'Save Cash and Reduce Fuel'. Libby was successful and her picture will be on the January page of the calendar which will be seen all over Scotland. Her prize is to go to the Scottish Parliament in Edinburgh where she will meet some Members of the Scottish Parliament, have lunch and receive a 'goody bag'. We'll include a picture of her at the parliament after she has been.

The Pupil Council organised a Fancy Dress Party at Hallowe'en for the pupils, younger brothers and sisters and parents.

We had had lots to eat.

We played lots of games and danced.

We had a competition to make the best 'Mummy'. In groups the children wrapped one child with toilet paper to make a Mummy. We had no glue or pins and had only a few minutes to do it. Some were better than others.

We entered another Art Competition to design a Christmas Stocking. All the schools in the Turriff Area entered. There was a winner for each school and an overall winner. Our School winner was Tabitha. She has to go and be presented with her prize at the Turriff Library. The overall winner gets to switch on the Turriff Christmas lights.

The Parent Council organised a 'Christmas Fayre' at the school. There were lots of people selling things and the pupils had a stall as well. We made things to sell and we raised £90 for school funds!

We are looking forward to reading the news from the other schools.
