

GREECE

BLA BLA JUNE 2017

In June, the most significant events of the month, was the graduation of the 6th Grade, their theatrical performance on stage and the sports activities of the whole school on the 13th of June

Our 6th Grade gave a theatrical performance with the topic: "Travelling through music". It was a musical, which covered the period from the antiquity till the modern times in Greece. The costumes were fabulous and the songs and dances were performed form the two classes of the 6th Grade under the guide of our Music teacher, Mrs Anna Papazaka. It was a wonderful experience that lasted for 2 hours. Our little actors were applauded by the whole school and their parents!

On the 13th of June it was a Sports Day. Our two P.E. teachers, Elissavet Botzori and Socrates Tzoumakas organized a series of sport activities with the whole school. These activities included roller blading, dances, tic tac toe on the floor, basketball etc. It was a nice day that required a lot of energy and passion!

Finally, on the last day before the summer period, we had a big goodbye party with lots of dance, gifts and souvlaki!! We danced till the midnight and we wished a happy summer to our classmates and teachers.
