

The Sinterklaas party

Sinterklaas is a party day in the Netherlands and Belgium where children are spoiled with presents.

It is celebrated in the Netherlands and in Belgium on 5 and 6 December

The celebration is based on the Turkish bishop Saint Nicolaas of Myra, who lived in the 16th century.

Because he is already so old, he is helped by “helpsinterklazen.”

Every year Sinterklaas arrives in november with his streamer

from Spain.

In handing out the presents he is helped by his pieten

At the pictures you see the celebration of his birthday at our school.
