## Summerparty

Friday, September 21st, was the summer party. Normally the summer party is at the end of the schoolyear but this time at the end of summer. Because that the habit of pcb Sjalom and we are there as the Balom group

on Thursday and Friday, so we could join the party.

At the summer party you had lots of activities to do and a lot of food.

There was a lottery where you could win prizes. In the beginning, children started performing. You could also play soccer and you also had many different games.

It was fun, this summer party this year.

Do you also have a summer party?
