Celebration of 40 years suburb Schollevaar & pcb Het Baken.

The children celebrate the 40th anniversary of Het Baken.

The children were shaped in 40- As you can see at the picture

There were circus performances by the children of our school.

At the beginning of the morning we practiced ten exercises.

The topics are: the balanceballs, that is that you stand on a heavy round ball and then start walking. The next topic is: tightrope dancing is that you will dance over a steel rope and walk at height.

Juggle with balls and cloths. Acrobatics is that you will all make tricks and

pyramid. Throwing the cones is that you throw over with the cones or rings and juggle. Diabolo's is that you use two sticks with rope to spin a diabolo and throw it in the air and catch it again. Etc.. In the afternoon we gave various performances. First the toddlers than the older pupils.

Everyone had a nice day.
