eTwinning project 2017-18 "People with special needs - "Do not dis-able us""

- 2nd GEL Aliveriou is a Public Upper Secondary School.
- The students come from rural areas and small villages of the surroundings of Aliveri.
- Some students come from disadvantaged socio-economic families.
- There are also minimum immigrants and some student with special needs (dyslexia mostly).
- Our school is co-located with the Vocational School (EPAL) and the Second Chance School.

Greek Upper Secondary Education System

In Greece students have 2 choices in Upper Secondary Education; they choose between General education and Vocational training.

- Our school is a General Lyceum with 125 students and 15 teachers.

Students attend a three-year post-compulsory education.

- The second year of the General Lyceum allows students to specialise within one of two option streams,
  1. Humanities & 2. Science, IT & Health Studies

- The third year they specialise within one of three option streams,

  1. Humanities – 2. Science and 3. Economics and Informatics.

There is also a common core of General Education:

- Religious affairs - Modern Greek - Greek literature – History – Biology - Foreign language - Mathematics - Social sciences history & Physical Education
