

MATHS PLAN

COUNTRY: Italy

SCHOOL: Istituto Comprensivo "N. D'Apolito"

ACTIVITY NAME: Maths and children games:
"Fractions Dominoes"

MATERIALS: white paper, scissors, glue, ruler, crayons, dice.

ACTIVITY NUMBER: N. 2

MAKING ACTIVITY:

Here the instructions for
making Dominoes cards.

Draw several rectangles with same
dimensions and cut the cards.

Co-funded by the Erasmus+ Programme of the European Union

2018-1-FR01-KA229-047689

DEVELOPING AND IMPLEMENTING NEW STRATEGIES IN MATHS CONNECTED CURRICULAR SUBJECTS

On some of them, draw the graphical representation of a function.

On the others, draw the fractional unit.

Let's roll the dice to determine who goes first in the game.

There are 4 player. Everyone gets 7 cards.

The first player throws down a card and the second one matches the right fraction.

If the player doesn't have the card to match, he/she skips the turn.

The player who runs out of cards first wins.
