

Using the twinboard to interact

1) Review your drawing on the overhead projector or on your sheet of paper

2) In your twinspace pages , go to the subpage:

a) "Which photos did the **French** draw?" (**French students**)

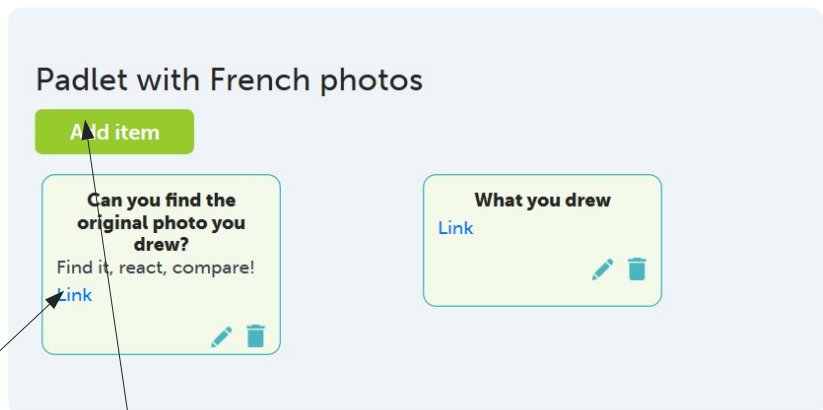

OR

b) "Which photos did the **Slovakian** draw?" (**Slovakian students**)

page

Which photos did the Slovakian draw?

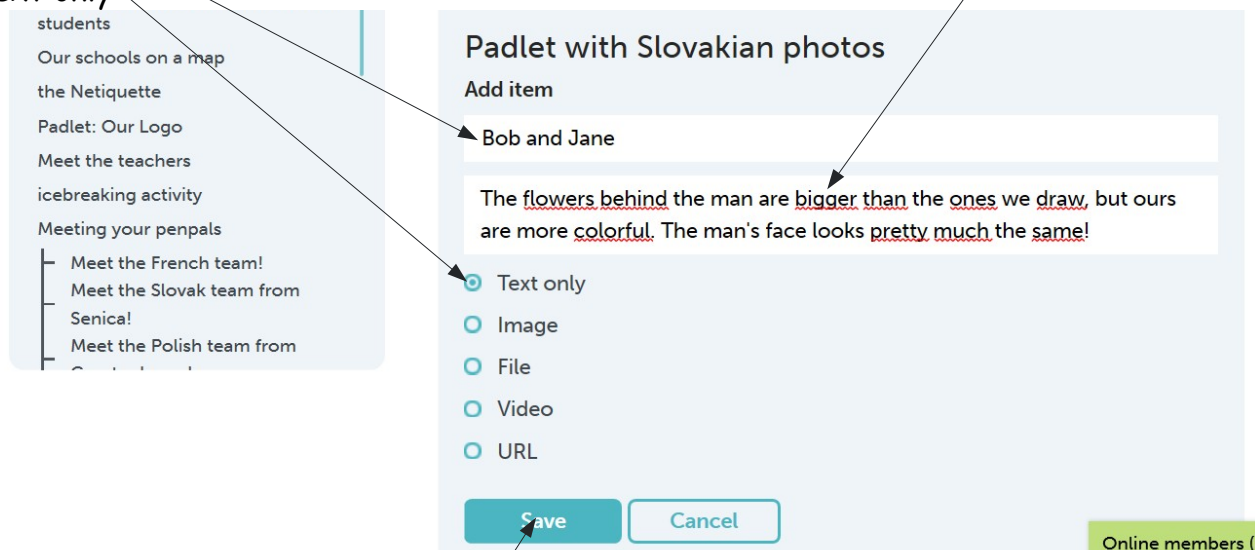

subpage

3) Look for the original photo your drew, and react spontaneously, compare...

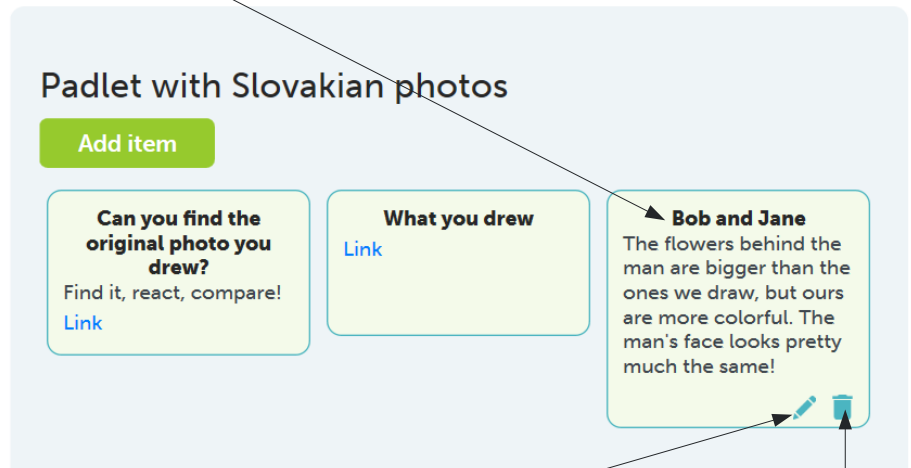

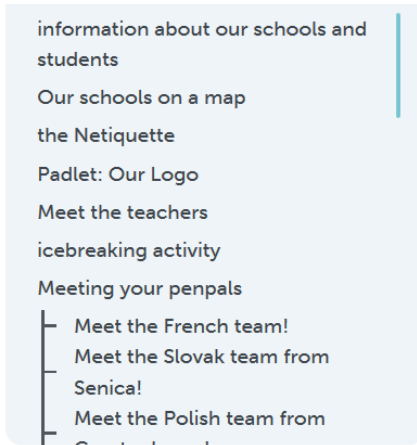

4) To write your comment, click on "Add item":

5) Type your name (s) in the "Title" section" and your comment in the "Description" section click "text only"

When you have finished, click on "Save"

6) Your comment appears on the twinboard

You can edit it if there are mistakes or if you want to add something or you can delete it and restart a new one
