

INTERVIEW WITH SAMIL17

1)How do you feel about the project?

-5/10, i don't know why i feel so confused

2)How much free time do you usually have a week?

-On saturday I have 6, maybe 7 hour free time, and on sunday I have 8-10 hours free time.

3)Do you spend your time in a creative way? If so, how?

-Sometimes I go ride a bike, sometimes I draw something, or I'll meet with friends

4)Do you take part in any extra curricular activities? Name them.

-So, 2 years ago I training box, and now my only additional activity is learning programming.

5)Do you have any hobbies? Tell me something about them.

-My hobby is terraristics, I have lizard, and in future I think about small breeding for 2 or maybe 3 species.

6)What are your household duties?

-I and my sister must clean bathrooms, take out the garbage, and vacuum. Something we empty the dishwasher and cook dinner.

7)What's the most favourite free time activity in your country? Use some real data if possible.

-So, from spring to autumn Polish people ride in bike or rollers, at winter we ride on ski or ice skates. At solida we play beach ball. And we just hang out with friend all year round.

8)Choose the best time activity among these three: listening to music, watching Netflix, playing computer games, Justify your opinion.

-I think the best above this activity is listening to music, because at first you can what you want, and secondly you can do anything you want during listening to music.

9)What's your favourite food?

-If you ask about fast food that is McBurger, and if you ask about anything that I love sushi.

10)Do you like football?

-No, i don't like.
