

Interview with Keinep Karataş

How do you feel about the project?

I like the project. It's good because we made new friends.

How much free time do you usually have a week?

I have not much free time. I study English in my free time.

I read english story books.

Do you spend your time in a creative way? If so, how?

I do, I love taking nature photos.

Do you take part in any extracurricular activities?

No, I don't.

Do you have any hobbies? Tell me something about them.

Yes there is. my hobbies are solving puzzle, studying math, studying english, drawing picture and watching movies

What are your household duties?

I cook, vacuum the house, wash the dishes.

What's the most favourite free time activity in your country?

Surfing the net.

Choose the best free time activity among these three: listen to music, watching Netflix, playing computer games.

My favorite is listening to music.

Do you have a lot of friends?

I have four my friends

Have you ever taken part in demonstrations?

No, I don't.
