

INTERVIEW

With Aysima Güner from Turkey by Eva Sánchez

1. How do you feel about the project?

I am very happy to be in this project. I believe we will raise awareness about the extreme addictions people are afraid to say when appropriate.

2. How much free time do you usually have a week?

My Saturdays and Sundays are generally free if my teachers don't give homework

3. Do you spend your time in a creative way? If so, how?

Most of the time. However, since the coronavirus is spreading right now, I take care to stay at home. But there are also things at home where I can show my creativity. For example, online contests or DIY

4. Do you take part in any extra-curricular activities? Name them.

I participate in various writing competitions of "Gencizbiz"

5. Do you have any hobbies? Tell me something about them.

Playing basketball, watching TV series and playing chess are my biggest hobbies. I watched countless movies and TV series. For example, I am currently producing a series called "dynasty"

6. What are your household duties?

My main task is to keep my room clean. Since i like to wipe the windows, it has become my duty

7. What's the most favourite free time activity in your country? Use some real data if possible.

camel safari

8. Choose the best free time activity among these three: listening to music, watching Netflix, playing computer games. Justify your opinion.

Of course "listen to music". I spend at least 3 hours a day listening to music. I even play music while doing my other work. Moreover, i love music so much that i learn various instruments.

9. What is your favorite food?

Fried chicken legs

10. What instruments do you play?

I can play melodica and flute. I´ll start playing guitar in a few months
