

Interview with Feyza from Turkey by Paulina

1. How do you feel about the project?

I joined this project willingly and fondly and made new and different friends. I am so happy

2. How much free time do you usually have a week?

I usually don't have free time a week. Since we have a university exam, I study for him, go to school, spend time with friends, spend time with my family.

3. Do you spend your time in a creative way? If so, how?

I spend my time on the phone or with friends, as I said, I spend studying for the exam and I love sleeping.

4. Do you take part in any extra curricular activities? Name them.

No I do not agree much.

5. Do you have any hobbies? Tell me something about them.

Cycling and listening to music.

6. What are your household duties?

I clean the house every day and wash the dishes after every meal. I also do ironing and enjoy doing housework.

7. What's the most favorite free time activity in your country? Use some real data if possible.

Unfortunately my country also loves surfing the internet and phone games.

8. Choose the best free time activity among these three: listening to music, watching Netflix, playing computer games. Justify your opinion.

Of course listening to music because I both relax and enjoy.

9. Can you tell me more about your country? The place you live or some attractions in your country that you enjoy?

My country is very beautiful, I recommend you to come. The place where I live is natural and calm. We are lucky to be intertwined with nature, especially during the pandemic process. The place where I am is very green and historical.
