

Report: Video Conferencing 07.02. (Team Germany 1)

!we had technical problems; so nobody could understand one another!

- first we continued via the chat (iserv)
- then we switched to our instagram group, so we could also use voice messages

participants:

- Hannah, Thiemuth (Austria)
- Nadja, Vanja (Serbia)
- Lucy, Paula

[- Ioana (Romania) sent me her answers/pictures later]

- other people of our group aren't active and didn't participate more than one time; I also don't have the contact

discussed topics:

- christmas eve; new year's eve; holidays
(the personal mood, activities, experiences)
- I explained our plans about the cookbook

results:

I'm gonna send the remaining pictures of christmas and also the pictures/reports of the recipes next week; because I told everyone to send those to me until next week

additional information/results:

- Hannah (Austria):
 - skiing; sleding; hiking; snow shoeing; ski touring with her family
 - celebrating Christmas eve at home; was a good time, because a lot of exams were cancelled

- Ioana (Romania):

- told a lot about romanian food; also links (sarmale, cozonac)

! at the attachment, there is a presentation of Hannah; just for this video conferencing and the pictures everyone has sent me yet!
