eTwinning ist die Gemeinschaft für Schulen in Europa.

Sie bietet allen (LehrerInnen, SchulleiterInnen, BibliothekarInnen, etc.), die in einer Schule in einem europäischen Land arbeiten, eine Plattform um zu kommunizieren, kooperieren, Projekte zu entwickeln, sich auszutauschen und Teil einer der spannendsten Lerngemeinschaften Europas zu sein. eTwinning wird von Erasmus+, dem Europäischen Programm für allgemeine und berufliche Bildung, Jugend und Sport, kofinanziert.

Community Newsroom Get inspired eTwinning Plus

eTwinning is the community for schools in Europe.

eTwinning offers a platform for staff (teachers, head teachers, librarians, etc.), working in a school in one of the European countries involved, to communicate, collaborate, develop projects, share and, in short, feel and be part of the most exciting learning community in Europe. eTwinning is co-funded by the **Erasmus+**, the European programme for Education, Training, Youth and Sport.

4. Managing budget and documentation in webgate Mobility tool

➔ <https://webgate.ec.europa.eu/eac/mobility/>

Advice / hints:

- Headmaster/principal may have a different account role than the school coordinator (only read, read and write/delete).
- Password changes are forced regularly.
- The webgate Mobility tool account is always connected to a specific mail address.
- Contact your national agency for special questions regarding your documentation and budget.
- Online courses for handling and managing EU Erasmus+ project with this Mobility tool are recommended for project starters.

The screenshot shows the Mobility Tool+ homepage. The header includes the European Commission logo and the text "AT01 OeAD - OeAD (Österreichische Austauschdienst)-GmbH". The main content area is titled "Willkommen im Mobility Tool+" and contains a sidebar with links like "Über das Mobility Tool", "Dokumentation", and "Meine laufenden Projekte". The main area displays a table of projects with columns for financial agreement, partner, national ID, start date, project duration, project end date, project status, approved budget, and actualized budget. The table lists several projects, including those with IDs like 2016-1-ES01-KA219-02162_1 and 2016-1-ES01-KA219-02162_2.

The screenshot shows the "Project Details" page for project 2016-1-DE03-KA229-047128_3. The page is divided into several sections: "Context information", "Project information", "Project Access", "History information", and "Beneficiary Organisation information". The "Project Access" section is highlighted with a yellow circle and an arrow pointing to it from the top right. This section contains the text "User's role in project: beneficiary" and "Access to Project: View Access to Project" with a checkbox labeled "Project is locked". The "History information" section shows the project was created on 03/10/2018 17:51:09 by National Agency and updated on 07/10/2019 17:17:16 by National Agency.

5. Backup website and budget log protocols

For documentation purpose always save screenshots from your budget documentation and from the log protocols inside Mobility tools, as your national agency may reset or change sometimes necessary details.

Backup your TwinsSpace website to an own public webspace at the end of the project and use this hyperlink in your documentation (e.g. ICU.eLearningCluster.at).
