TUTORIAL FOR MAKING PRESENTATIONS
STATUES - Inspiring people

A. START THE WORK PROCESS

1. Find a name for your workgroup!
2. Appoint the team leader!
3. Organize the work! Who is responsible for which task?
4. Open the **Twinspace/Pages/P10 Zagreb (scroll down)/Day 2** on your computers for the materials and links!
5. Open What'sApp Web for easy transfer of field trip pictures!

B. PRESENTATION LAYOUT

1. **Presentation name:** WK NR Statues and Persons.pptx
   (you can work in any presentation program)
2. Introduce the team name, the team members and the team leader!!
3. Explain how you worked!
4. Show large pictures on your slides!
5. Write the answers on the slide with **key words** (the least possible number of words) .
   Max. 3 prompts/bullits (answers) should be on one slide.
   (**No full sentences** should be on slides.)
6. Finish the presentation with a **Reference List (Sources)** of the visual and textual material that you used and that does not belong to you!
7. **Upload presentation:** Upload presentation and text

C. SPEECH TUTORIAL

1. **Prepare your speech** to go along with the presentation in a text document.
   Text document name: WK *NR* Statues and Persons.docx

2. Write the speech **in a simple manner** using spoken language. Do not use the language from the text you found.

3. **Expand the prompts/bullets** (your answers) from the slides with your own words.
   The following questions can help you stretch your sentences.
   Who? Did what? When? Where? Why?

4. After writing your own sentences you will be able to **talk freely** about the topic because you used the words that you know and you will be familiar with the topic. You **must not read** your speech.

5. Make sure you know how to **pronounce** all the words you have used. Make an effort to understand and pronounce the words in languages other than English.

6. **Upload** the document with your speech onto the following link:

D. PARTS OF THE PRESENTATION:

I. STATUE DESCRIPTION (photos, videos, maps, text)

1. Show the photograph of the statue!
2. Show the position of the statue on the map! Add an interactive link form Google Maps (if it exists) or drop a new pin, print screen and add print screen!
3. Show the surroundings of the statue with a photograph or a short video!
4. Describe the location of the statue! Who can see it there?
5. Who is the author of the statue? What are the most important information about the sculptor?
6. What is the style (artistic/historical…) of the statue? Is there something you like /don't like about the style?

II. 3D MODELS OF STATUES

1. Show the animation with the link to the video!
   3DF Model Video name: WK NR Name of Statue.mp4 (youtube)
2. How many 3D photos did you try to use for making the 3D Model of your statue?
3. How many 3D photos were used for making the 3D Model?
4. Is the surface of the 3D Model completely closed?
5. Were there any issues when using the 3DF Zephyr? Is the software user friendly?

III. DESCRIBING THE PORTRAYED PERSON

1. Who was the person that this statue is dedicated to?
2. When did he/she live?
3. What were the circumstances?
4. What was his/her job?
5. Describe his/her work in short!
6. Was this person famous and recognized in his/her lifetime? (Why not?)
7. What did he/she do to deserve a statue in his/her honour?
8. Can his/her work in a certain field be inspiring or groundbreaking or world-changing?
