Aiud Gorges

Aiud Gorges make up a protected area of national interest, botanical and geological nature reserve

The nature reserve with an area of 20 ha is of complex importance, there are a number of rare plants. It is about 15 km from Aiud

The heights are suitable for paragliding. This area is ideal for flying due to the level differences, wide landing areas, the flight being favorable on sunny days. The Aiud Valley has natural monuments, plant species, animals, birds.
