

Summer

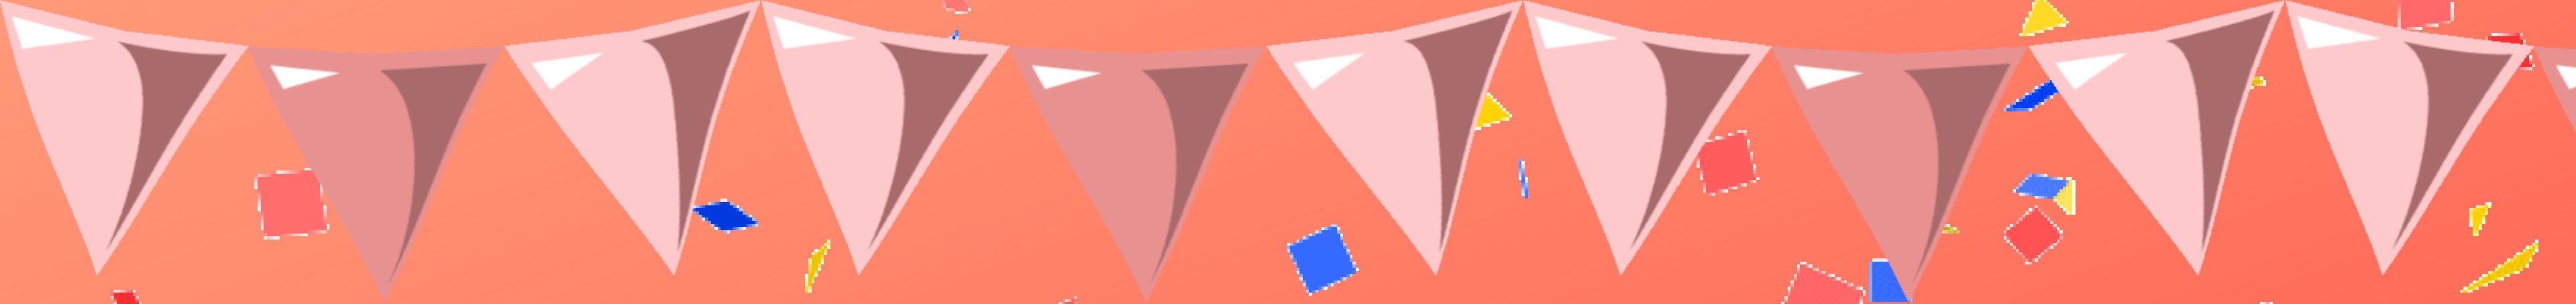

Characteristics of summer:

The summer in the north begins on June 21st

In the summer is a good idea go to the pool or to the beach but they have very warm and is good to refresh.

And its a good estation to stay with your friends.

That's when you can party, go abroad, and go out with your family.

summer programs

**You can go on
vacation and go
camping and
swim.**

And ends in september 22nd

Tanks for watching!!!
