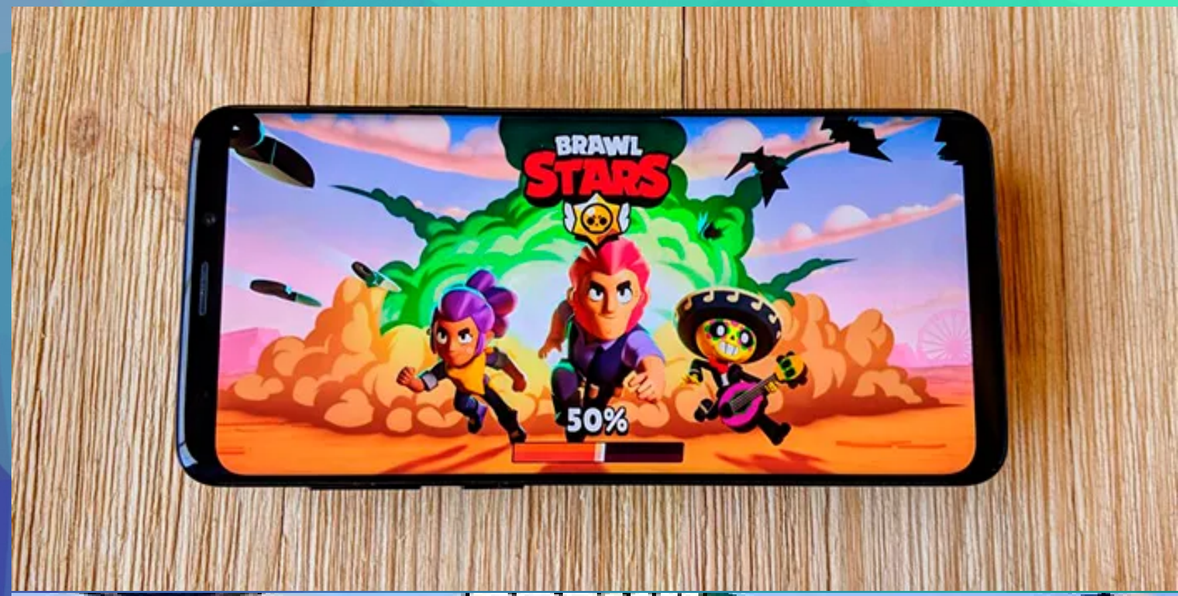
BRAWL STARS

BRAWL STARS IS HA GAME OF PHONE,HIS A GAME WITH A LOT OF MINIGAMES, ONE MINIGAME THAT HIS THAT ALOT OF PEAPOL IS BALONBRAWL,THIS GAME IS VERY NICE AND VERY FUNY.



DEVELOPE

The Brawl Stars freemium is a real-time strategy game developed and released by Supercell on June 15, 2017. [* 1] The point of the game is to fight battles, different types in each game mode.

BRAWLERS

There are now 46 characters in the game, they can be opened from a box. It can be rare, super rare, epic, mythic and legendary brawler

ROBO RUMBLE

Here 3 players have to defend their safes against the robots, for 2 minutes who will get stronger and stronger, it will get harder after each win.
Difficulty levels: Normal, Hard, Expert, Master, Insane, Insane II, Insane III, Insane IV... Insane XVI.

SHOWDOWN

The point of Solo Showdown is to kill people and the last person left wins. If someone dies, they cannot be revived. There are a total of 10 players in a game. It is also possible that only e.g. There are 3 and two will kill each other and the 3rd half wins, in which case the second place winner will be the one who dies later.

CHAMPIONSHIP CHALLENGE

The Championship Chalenge appears in the 1st week of each month. Here, whatever we go with Brawer will be Star Poweres. In this game mode, you have to complete a total of 15 levels from all game modes (only 3 of each eg Brawl Ball 3 Heist 3 etc.).

BRAWL BALL

A game mode in which both teams have a goal into which the other team must bring the ball, but in the meantime the other can be killed. If someone dies, they have to wait five seconds for them to revive.

FRIENDLY GAME

A friendly game is the “game mode” in which our brawlers will be stars powerhouses or gadgets when we enter. We are basically against robots, but we can also invite our friends to play.

GAMEPLAY

The game has a cup system, which means that if you reach a certain cup number, you get a reward. These rewards can be collected on the so-called Trophy Road. Rewards on different cup numbers: If you reach a certain rank with a character, you get a star point.

GAME MODES

Gem Grab, Showdown (Solo, Duo), Brawl Ball, Heist, Bounty, Siege, Hot Zone; Exkluziv: Present Plunder; Now not in the game: Lone Star, Takedown.

Vass Dániel, Varga Marcell, Pau Gallego Alvarez.
