An Etwinning survey

By La Cachette

How we did it :

In February , we have launched a survey , using etwinning's forum.
All the pupils from 6 to 11 years-old of the school have managed to ask their question on etwinning , thanks to Pauline and Chloé , who are working at school , one day per week as civic service.

The questions were :

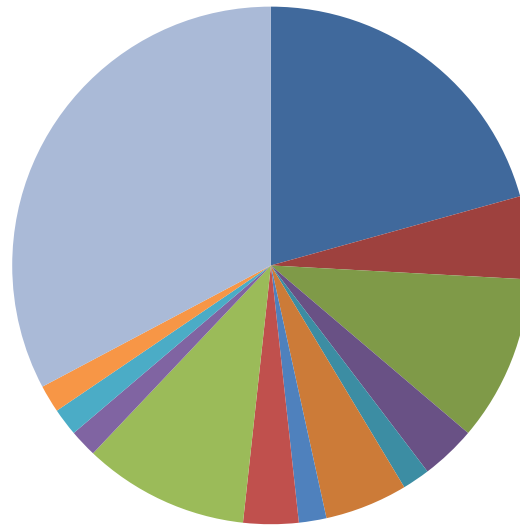

- 1)Where does your favorite T-shirt comes from ?
- 2) Where does your favorite car comes from ?
- 3) Where does your favorite biscuit comes from ?
- 4) Where does your favorite soft toys comes from ?

We have collected 109 answers in total (41 for T shirt , 27 for cars , 33 for biscuits , 8 for soft toys)

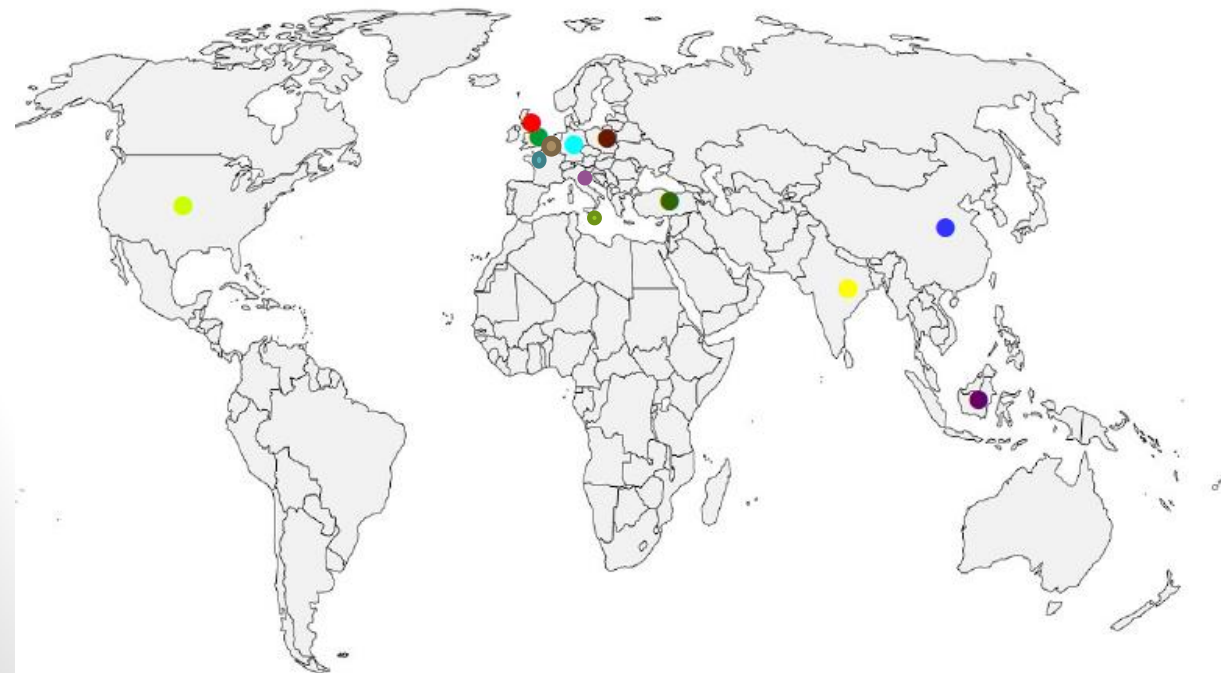

We have added the answers of the French pupils.

We would like to thank all the participating pupils for their answers.
