**There are no new  
smells...  
Those rackets smell like  
sulphur, oil  
and saltpetre!**

**I prefer go to the  
Louvre..**

**What is this smell?  
So pleasantly soft  
and decent ...**

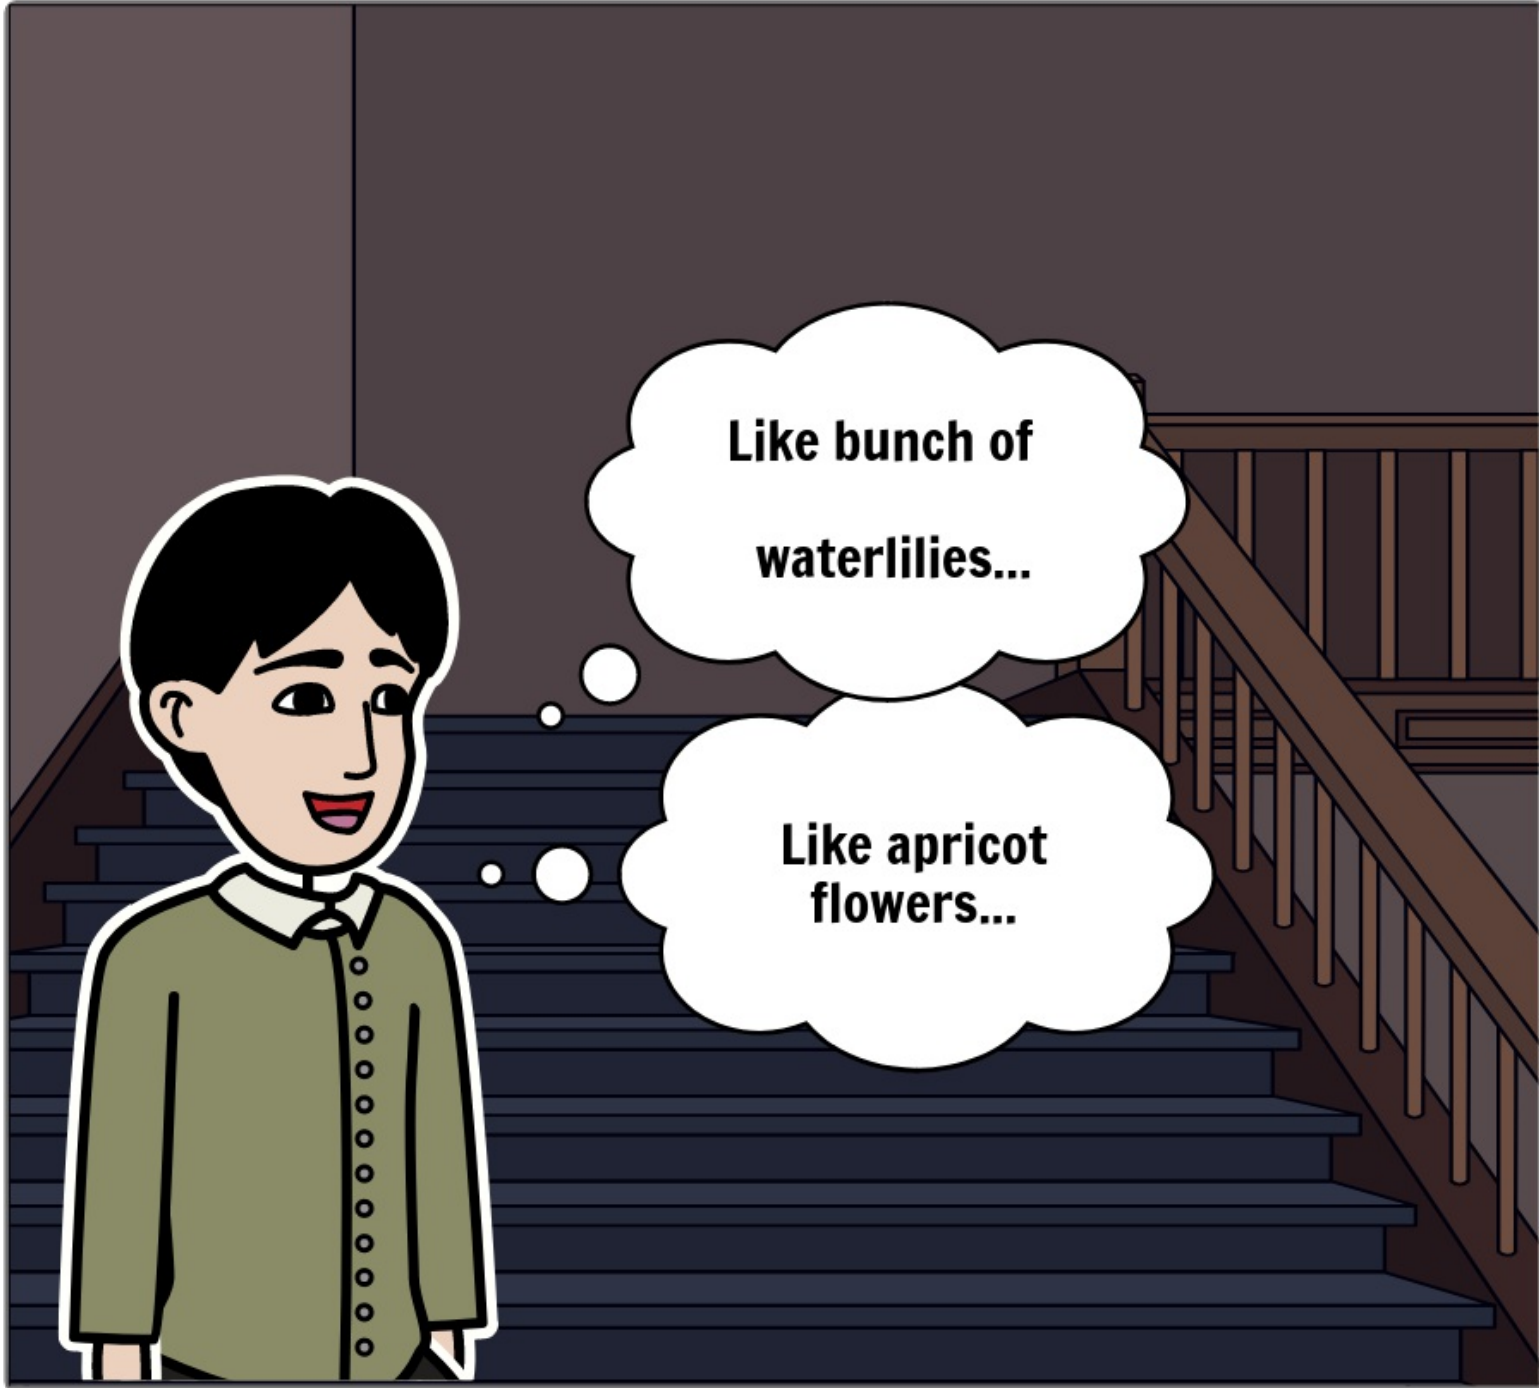

**I have to find it!**

**Here is it: the girl!  
She smells so fresh  
like the sea...**

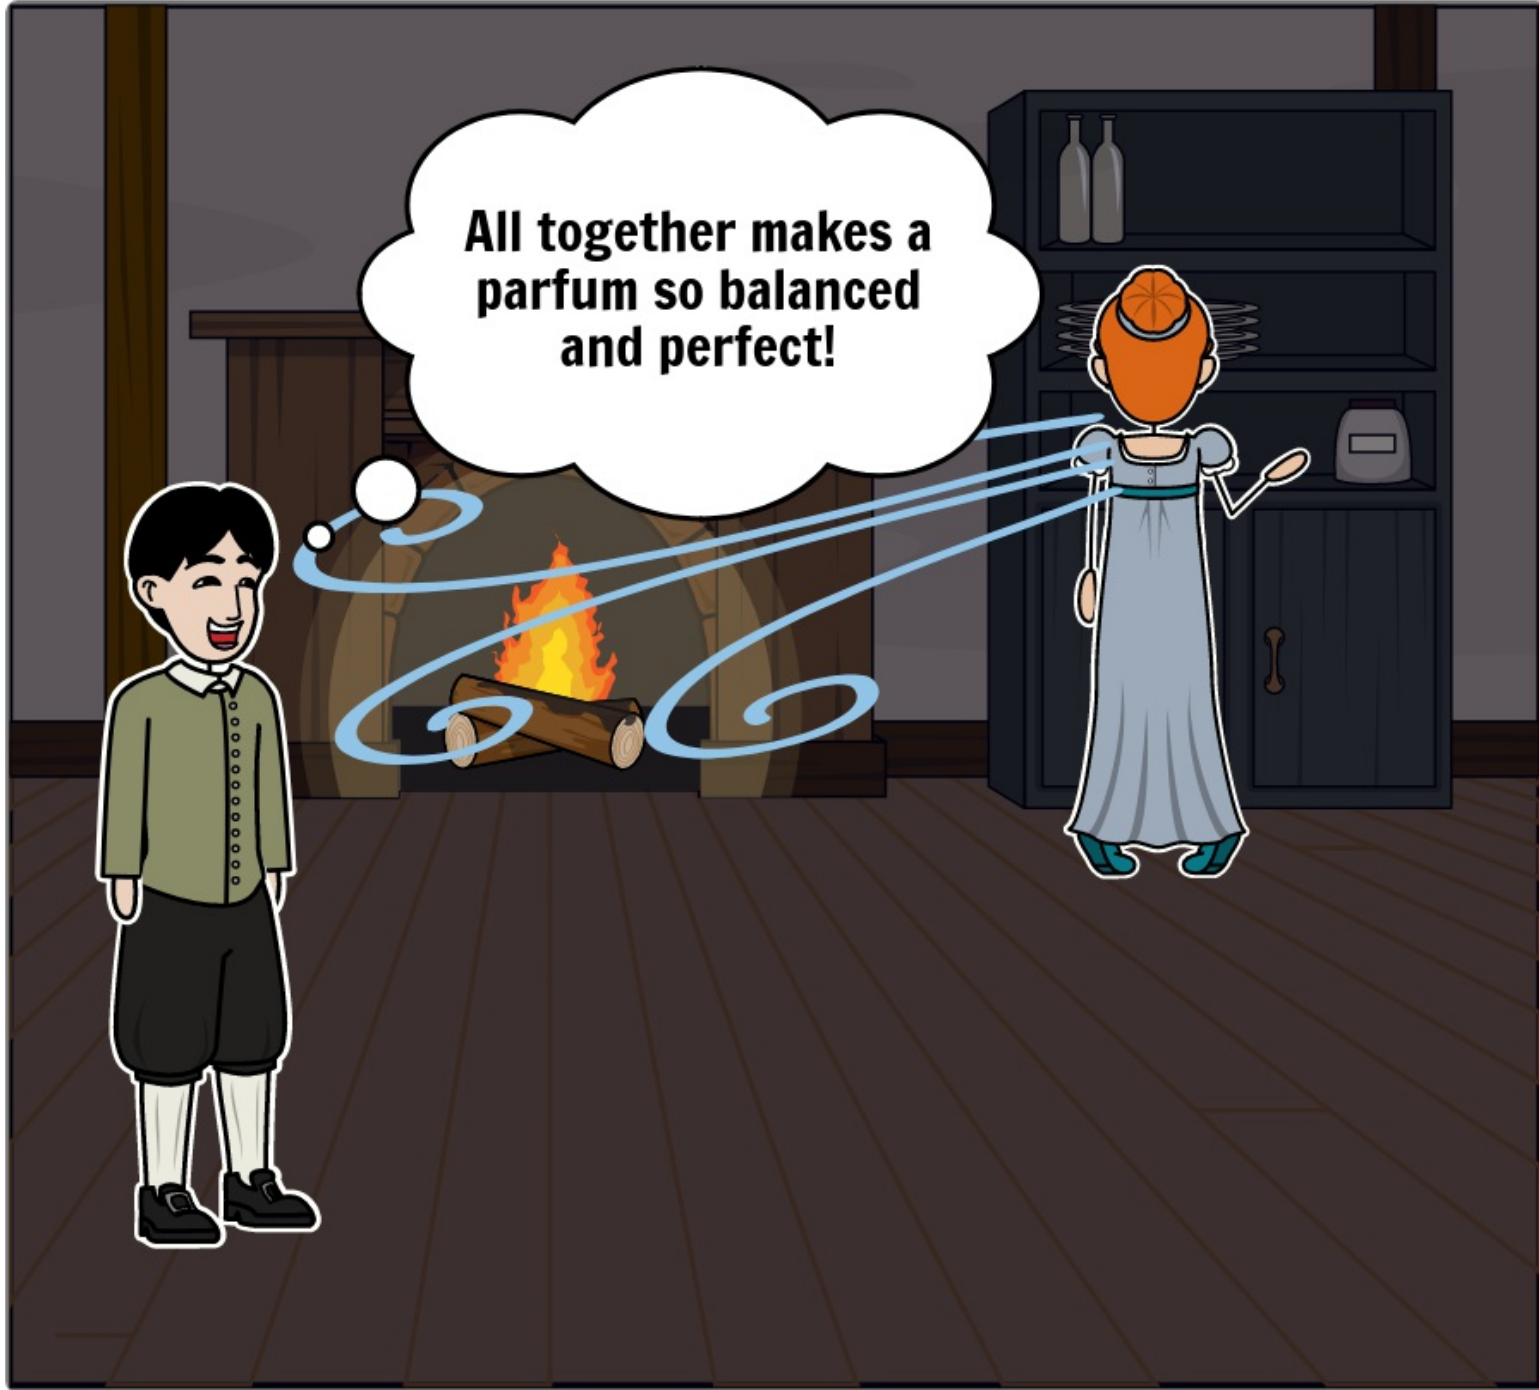

**So sweet like  
nut oil...**

**Like bunch of  
waterlilies...**

**Like apricot  
flowers...**

All together makes a  
parfum so balanced  
and perfect!

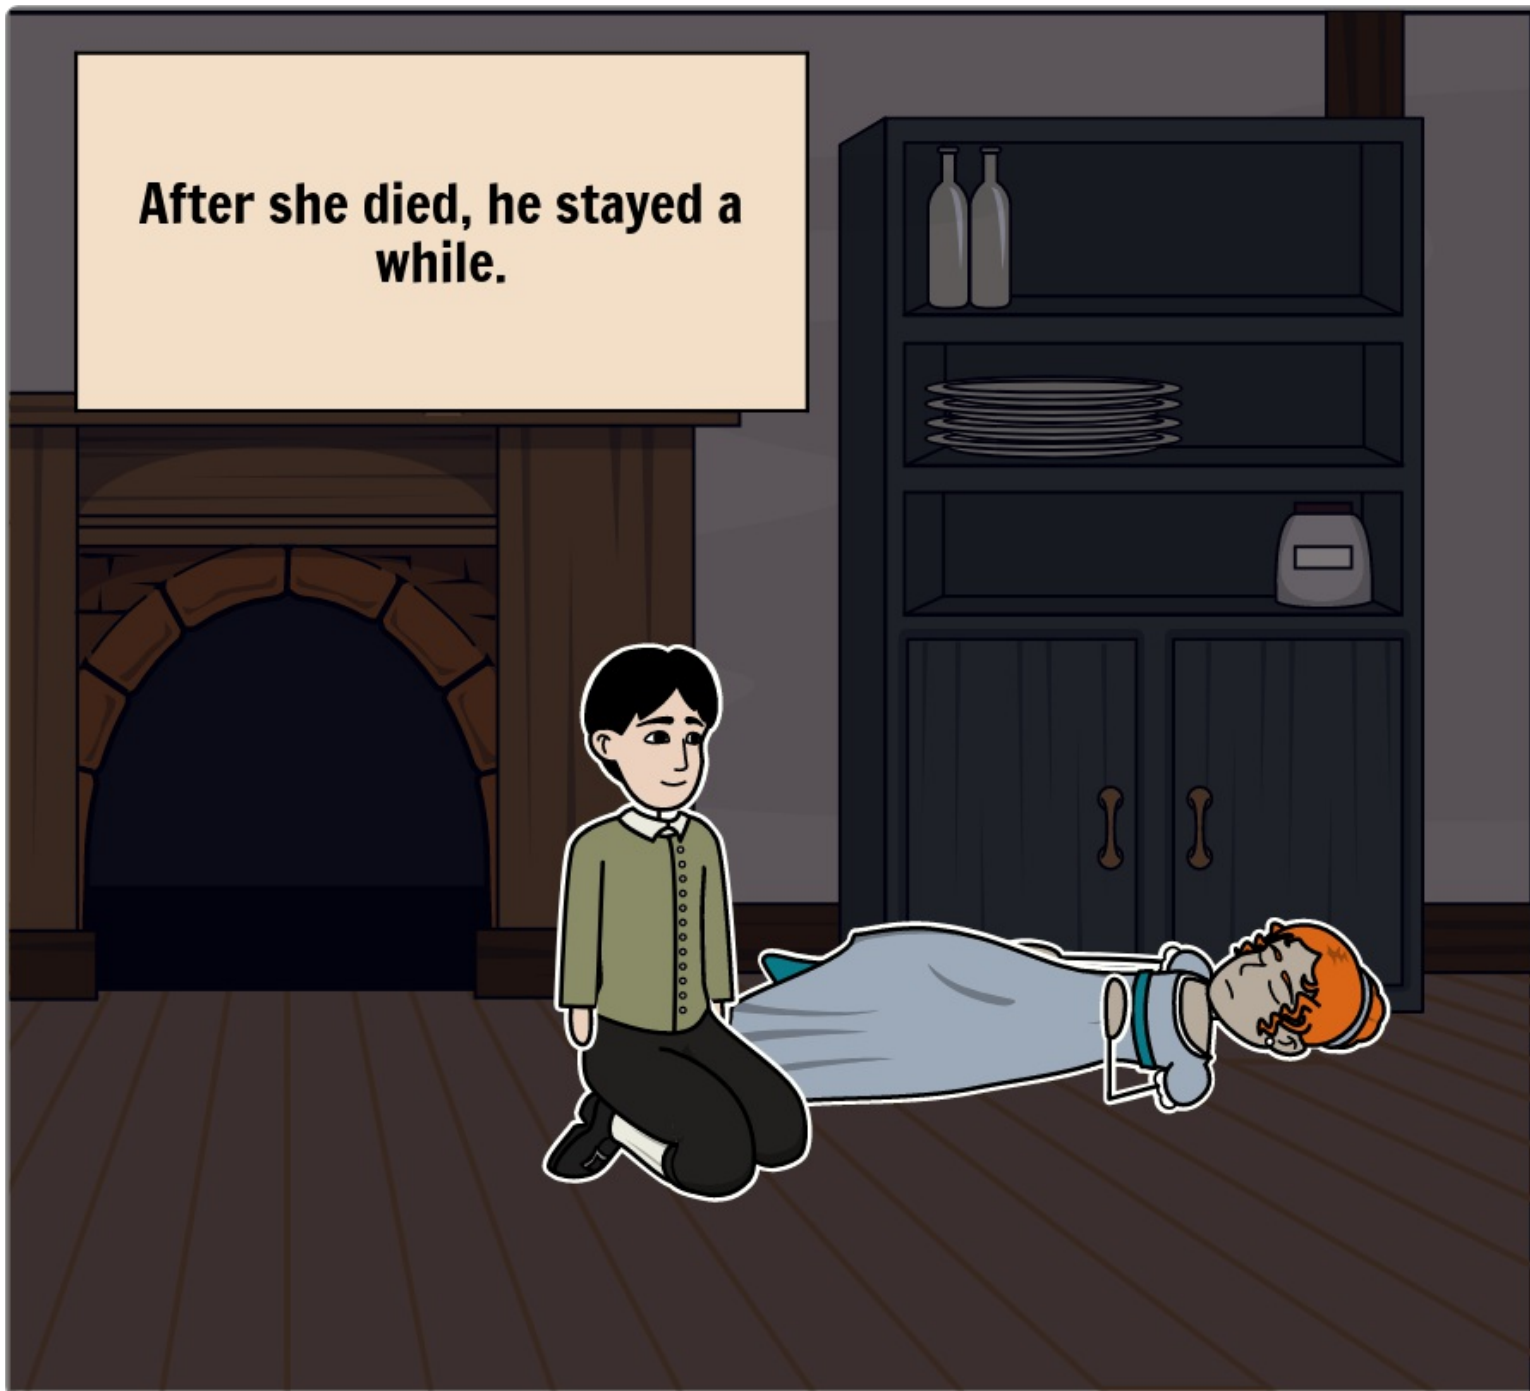

**Without this  
fragrance my life  
will lose its sense.**

**He didn't see her as he  
killed her.**

**After she died, he stayed a while.**

**After another while  
later...**

**i've never felt like  
that!**

**This fragrance...  
Now I know the  
reason I'm born!**

**I will become the  
greatest perfumer  
ever!!!**
