

And you were so young! You didn't know what you were doing!

Even worse! To commit such a crime at such a young age!

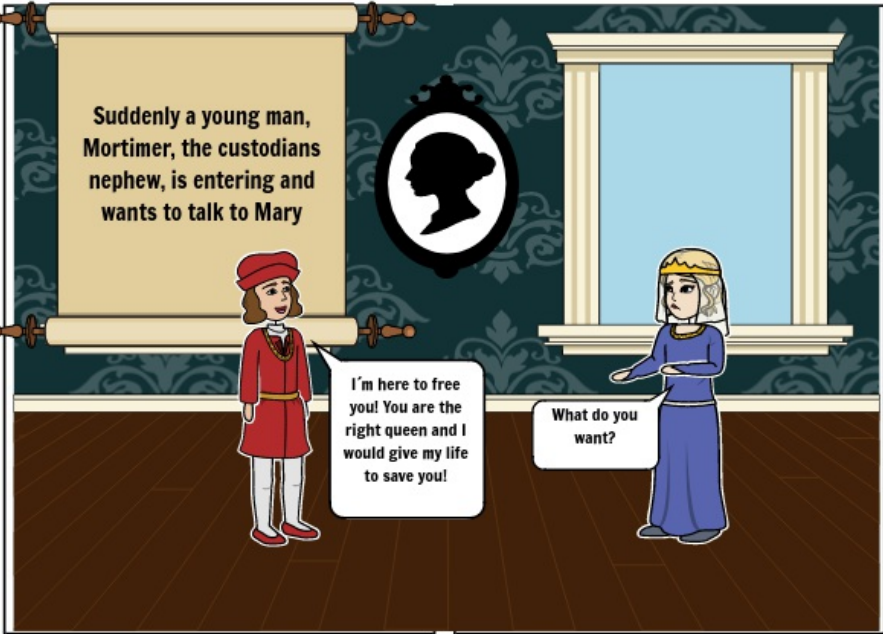

But then you did something real bad: You married his murderer!

Bad Fate!!!

Maria Stuart

Act 1 and 2

Suddenly a young man, Mortimer, the custodians nephew, is entering and wants to talk to Mary

I'm here to free you! You are the right queen and I would give my life to save you!

What do you want?

But why? Your are English, your uncle works for Elisabeth, you are no Catholic ... Surely you must hate me!

I just pretended! I went to Rome and became catholic. I love you, you are the right queen and I will free you!

So talk to my friend Leicetster! He will help you - he's on my side too!

Is there really hope?

Meanwhile in Westminster Palace Queen Elisabeth is talking about marriage ...

I dont like to marry at all! I want my freedom! I am the Virgin Queen! Life is so unfair! What about gender mainstreaming???

Okay, I will take the French one, but not right now!
