

Mary is allowed to walk around for the first time since years again - she takes this as a sign that she will be freed from prison soon ...

Hanna, have a look! How beautiful it is to smell the flowers, the fresh air!

You are in Fotheringhay Park, Mylady.

Where am I, Lord Leicester?

But who is coming there?

Part 4

Be strong, my queen!

Hanna! This is Elisabeth!

I'm scared!

I must forget about my pride and all I had to suffer

She has to do the first step!

Who is this lady over there, Lord Leicester?

It's Mary Stuart, Queen of scots, your prisoner

I know damned well, who that is!!!

Elisabeth, I regret everything I did. You won, I lost - but now be generous. don't let me kneel in front of you like this

What a triumph!

You are on your place, Lady Mary!

I hate you! Arrogant cow!

If justice would rule you would kneel before me - because I'm your Queen!!!

How does she dare? I'm the queen! I will kill her!!!

Do you admit now that you lost?

Isn't there anybody left who wants to die for you?

So, dear Leicester, this is the woman no man can see without falling in love immediately?
HaHaHaHa

This is to much!

You are a bastard! And your mother was a slut!!!
