

# Fayre

Today is our Summer school fayre,  
One of the most exciting events of the year.  
With lots of things to see,  
And lots of things for me.

Face paints and glitter tattoos galore,  
As the kids dropped their balloons on the floor.  
While the cakes were yummy,  
The hot dogs were scrummy.

There were lots of games on the yard,  
Some of them seemed quite hard.  
So please hurry up next year,  
Till our next summer fayre.
