

Dance Day!

Preparation done, the day arrives,
Huddersfield here we come, mam drives.
Costumes, props and make up is packed,
No room in the car, it is stacked.

Once arrived, it's time to prepare,
Make up done, costume on, stretch every where.
It's nearly my turn, I stand in the wing,
Time to focus, time to sing.

My performance is over, I've done my best,
The adjudicator's choice, it's my turn to rest.
It didn't go my way,
But I had a great day!
