

# Newcastle

New things open every week at the amusements.

Even adults have fun

We all like the big scary rollercoasters!

Cool surf boards and huge waves

Arcades are packed with children

Super gift shops along the coast

The taste of marvellous candyfloss and icecreams

Lovely food and restaurants

Eventually the beach is clear at

night and the waves have calmed and the sky's still blue in Newcastle.

China has a lot of traffic and a lot of cars on the big long road.

There are shops which people keep to sell eggs.

In China we have really tall buildings.

Not all the kids sleep overnight in schools.

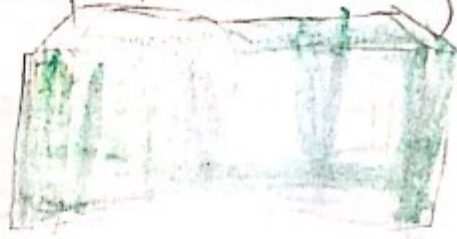

All the kids and parents go swimming in the lake.

Lisburn Swimming pool is  
Incredibly fun especially the  
Super slow lazy river. I love Lisburn  
Because I was born in Lisburn's  
Unique hospital. There is KFC that  
Reminds me of Macey D's.  
Now I love pizza hut for all you can eat.

The mountain of Slieve Gullion is

A brilliant mountain to climb

Just be careful you don't

Step in the deep boggy grime.

It is a very rocky mountain and

A treacherous road

The animals there are amazing

Like dragonflies and if your lucky

you'll see a toad.
