- REMEMBER YOU HAVE TO KEEP ALL YOUR TICKETS IN ORDER TO GIVE THEM BACK TO ME LATER. OK?

V. CLOTHES

April is the fools month so I was very worried about this, This is the forecast. It will be maximum 16 degrees during the day and at night it drops til 8 or 5. This is king of cold for us.

- Warm clothes: long-leaved pullovers
- A warm coat is essential
- You will need sports clothes and trainers for two days.
- Jeans are ok at school.
- Cardigans.
- Hats, scarfs and gloves.
- An umbrella just in case.

The truth is that you need really warm clothes to be OUTDOORS because INDOORS people usually turn on the heating at high temperature, so if you wear too many clothes inside you will be hot. So that is the expression: “you’d better wear more layers than a onion to get rid of some when indoors”. Ok?

- AFTER THE MOBILITY
 - I will give your assignment and set its deadline.

VII. IT IS COMPULSORY TO ENJOY, TO HAVE FUN, TO LAUGH, TO BE HAPPY AND TO ASK ASK ASK ANYTHING YOU DON'T UNDERSTAND OR ANYTHING YOU WANT TO KNOW OR LEARN.
