

Abtenau week

MONDAY: In the morning, we have met in the library and we watched the videos and we found out the schedule for the week, then we printed the T-shirts. In the end, we had dancing lessons and then the ACTION BOUND. We really enjoyed the ACTION BOUND because it was wonderful.

TUESDAY: In the morning, we met in the library for the CLIL lessons. We presented ourselves, then we strated the CLIL lessons where we talked about migration, culture and tranditions. In the afternoon we visited the salt mine, then we went sliding. We really liked the slide beacuse it was exciting.

WEDNESDAY: In the morning we visited the old town part of Salzburg and after that, we found out that we were the winners of the ACTION BOUND and we got our prize which was a ride with the carriage thourgh the city. Then we visited the castle of Salzburg. We really enjoyed the prize.

THURSDAY: We started the day with the dance lessons. After that we had two hours of CLIL. The first group made Erasmus Person and the second group prepared for presentation of the CLIL lessons. We really liked the natural parck which we visited in the afternoon.

Liceul Teoretic Mitropolit Ioan Mețianu, Zărnești

FRIDAY: In the last day, we presented a projects and the dance, then the folck group presented the dances from their country. *We really enjoyed the day.*
