

Project Calendar-DECEMBER

		ACTIVITIES	EXPLANATIONS
DECEMBER	05-11	- 3D printers	How 3D printers are useful for human life will be told using board, videos etc. Because of your Noel Holiday, this month is not full with activities.
	12-18	- 3D printers - Preparing online board tool: Padlet	This month is commemorating of Rumi, who was an important philosopher in our history. So, partners in Turkey will create Padlet about Rumi and his philosophy "tolerance". You can create Padlet about any scientists or writers etc. of your country.
	19-25	-3D printers	
	26-01	-3D printers -Online jigsaw tool: Jigsawplanet	You can prepare jigsaw puzzles using this tool. It is so easy and quick to learn. You can share this tool with your students.
