ROMANIA

We received one encrypted letter from Ankara/Turkey. Decryption of this letter is

NEW YEAR IS AROUND THE CORNER. WE HAD A VERY TOUGH YEAR HOWEVER IT TAUGHT A LOT. WE COULD NOT GO TO THE SCHOOL BECAUSE OF CORONA VIRUS BUT AFTER ALL WE DID NOT BORED AT HOME THANKS TO OUR PROJECT. NO MATTER HOW BAD THE SITUATION, WE SHOULD NEVER GIVE UP ON OUR DREAMS AND COLLABORATE. WHEN WE COLLABORATE WE CAN HANDLE EVERYTHING. ALTHOUGH WE EXPERIENCED BAD THINGS, WE NEVER LOST HOPE. BECAUSE IF YOU CAN SMILE DESPITE EVERYTHING, YOU WILL NEVER LOSE. ACTUALLY EVERYONE TRAVES IN TIME. TO THE PAST WITH ITS MEMORIES AND TO THE FUTURE WITH ITS DREAMS WE SEND OUR LOVE AND RESPECT TO ROMANIA. WE HOPE THE NEW YEAR BRINGS HEALTH, HAPPINESS, PEACE FOR SHORT GOODIES AND ALL WISHES COME TRUE.

Our encrypted letter to French Guiana, is a collection of some messages from our students. As your team is made of 12 students, we send you 12 messages from Romanian students. And because 12 messages is a a lot, you can pick Karla's message for our collective message. We used Caesar's cipher (simple) with key=1.

"Don't let the time pass, use every advantage that arises" William Shakespeare try to make any situation you get through an opportunity. If you take advantage of every advantage that appears in your way, you will be more likely to be successful. It also takes advantage of every opportunity that people around you give and try not to disappoint anyone. You remain optimistic and take a positive attitude.
