

Our Hobbies:

We asked our class and our parallel class in a questionnaire: “**What are your favourite hobbies?**”

- **Dancing** is the most popular free time activity.
- Second comes **ride your bike**.
- Third comes **Tennis**.

Tennis:

Tennis is a hobby that is known to nearly everyone.

You play it on a pitch with a racket (a bit bigger than a badminton racket) and with a ball.

You have to play the ball on the other side of the court.

You hit the ball over the net.

Ride a bike:

Some people ride their bikes in their free time.

They use it as a means of transportation, just for fun or to keep fit.

Dancing:

Dancing is a sport that you can do with music.

Hip hop or “Garde” are kinds of dancing which students from our school do most. You can read more about “Garde” in the article about carnival.
