

Reading Competition

We have a Reading Competition at our school every year. It is only for the students of the 6th forms. First the students have to read out from their favourite books. Then the German teacher and the classmates choose the best one of the class. Then the chosen students have to read in front of jurors. These are the headmaster, a German teacher and the head boys.

The winner goes to Trier (another city near Hermeskeil) and takes part in a next competition where students from other schools take part too.
