

# **The clothes in our generation by Axel and Jonathan.**

There are many styles in the people because they haven't got the same style, the girls wear different styles from boys, In short, they haven't got a patron. But you can know the style that the people usually wear in Spain.

**The girls:** they wear jeans and leggings and for the top they wear sweaters. They usually buy in Bershka, Shana, and Pull & Bear.

**The boys:** they wear jeans and tracksuits, an the top they wear sweaters too and shirts, they buy in Primark, H&M, and Pull & Bear too.

As I said before, they have many and different styles.
