

# Cars

## Our favourite cars

led : It looks very nice.

It's a camouflaged prototype of a new car model, called Erlkönig in Germany.

Lamborghini: It also looks very nice and it's VERRY fast.

Pagani Zonda R: I like it, because I always play it in a in a game

# The fastest car ever

Koenigsegg One :1

PS: 1360

Km/h: 440

Weight: 1360 kg

High Acceleration: 21.5 sec

# The ugliest car

For me it looks very, very, very, very ugly and for me it's ugliest car all over the world.
