Do's and Don'ts on eSafety
Simple ways to PROTECT YOURSELF on the INTERNET

IESBI

✗ Do not share personal information with people you don't know

Check the information you are given before trusting it ✓

✗ Do not accept files from people you don't know

Meet only people you know and not everyone you meet online ✓

✗ Do not send private photos to anyone

Set your social media accounts private ✓

✗ Do not connect to strange or public wifi networks. You don't know who's using it

Install an antivirus ✓

✗ Don't share your location

Keep the software updated ✓
