Our High School

Our High-School is placed in a lovely town, right in the heart of La Mancha. Perhaps you heard a lot about this place and its most remarkable monuments, the windmills, because of the novel "Don Quixote de la Mancha". It has several grades of vocational training on Business Administration, Electricity & Renewable Energies.

Our town, Consuegra, is not too far from Toledo. It was ruled by Saint Jon of Jerusalem & Malta Order for seven centuries. There is a lack of benefits of studying in a major city so it is complicated find job opportunities on your doorstep. The main economical activity is the tourism nowadays

- **Primary School** → 6 to 12 years of age.
- **Compulsory Secondary Education** → 12 to 16 years of age.
- **Post-Compulsory Secondary Education** (high school) → 16 to 18 years of age.

Main changes from Primary to Secondary:

- timetable.
- A specialized teacher for each subject.
- 11 subjects: Technology, Tutoring sessions and a optative subject (it can be a second language or workshops)

Educative System in Spain (High School)

COMPULSORY SECONDARY EDUCATION: ages 12 to 16

This phase is divided into four academic year academic years. It aims to succeed in providing students with the basic elements of culture and to develop and consolidate school habits.

Students receive the degree of Compulsory Secondary Education Graduate, which allows them to continue with their students either in Non- Compulsory Upper Secondary Schools or in Intermediate Level Vocational Education.

NON- COMPULSORY UPPER SECONDARY EDUCATION (BACHILLERATO) (16-18)

This phase prepared students for University Studies or Higher Vocational Education. It consists of two academic years and various disciplines are offered. These are the disciplines: Humanities and Social Sciences or Science and Technology or Arts

VOCATIONAL EDUCATION (Colleges and Apprenticeships)

INTERMEDIATE LEVEL VOCATIONAL EDUCATION (16- 18)

This training lasts for one or two years and has a period that includes internships in companies. There is a wide variety of courses providing good professional opportunities. The students receive the title of technician.

HIGHER VOCATIONAL EDUCATION (+18)

This training lasts two academic years and includes a section consists on internships in companies. Students receive the title of Senior Technician.

ETWINNING PLATFORM

to maintain a collaborative work

The screenshot displays the eTwinning platform interface. At the top, there is a navigation bar with the eTwinning logo, 'Portal', 'eTwinning Live', and a search bar containing 'We want to volunteer to m...'. On the right side of the navigation bar, there are links for 'English' and 'Logout'. Below the navigation bar, there is a secondary menu with 'HOME', 'PAGES', 'MATERIALS', 'FORUMS', 'LIVE', and 'MEMBERS'. The main content area features a project page titled 'We want to volunteer to make the world a better place'. The page includes a welcome message from 'angeles azaya garcia-tapetado' and a profile picture. The project description states: 'We'd like to create common solutions to global issues doing voluntary work with an international cooperation. So we will learn and share different aspects of voluntary work in social, environmental, cultural, educational and healthy life fields in European dimension. Firstly, we intend to involve low-skilled pupils by taking voluntary service and...'. Below the description, there are three main sections: 'Pages' with a link to 'ES CONSABURUM- CONSUEGRA- SPAIN', 'Images' with a gallery of images, and 'Videos' with a video player. At the bottom, there are two input fields for 'Teacher Bulletin' and 'Project Journal'. The 'Project Journal' section contains two posts: one from 'Kasia Becka' welcoming 'Angeles' and another from 'Angeles' inviting students to a meeting. The page also features a 'Delete' button and a 'Add a comment | Details' link. At the bottom, there are two images: one for the 'E+KA219-1ST TRANSNATIONAL MEETING' and another showing a group of children holding a sign that says 'We want to Volunteer to make the World a Better Place'.
