Experiments about earth

Experiment Name	Applying Country	Difficulty	Presentation
Seashell shock	Estonia	***	
Coloring flowers	Estonia	**	
Life underground	Estonia	**	
Earth warming	Estonia	*	
Castles from the soil	Estonia	*	
Volcano	France	***	
Metamorphosis	France	**	
Observing the roots	France	*	
Do it yourself solar eclipse	France	*	
Who goes further	Lithuania	***	
Salt crystallization	Lithuania	***	
How earthquakes happen?	Lithuania	**	
Object impressions on soil	Portugal	**	
Eroding soil with water	Portugal	*	
Magnetism and gravity	Portugal	***	
Soil fertility	Romania Bistrita	***	
Plants prevent erosion	Romania Bistrita	**	
More land, more water	Romania Bistrita	*	
Permeability of soil	Romania Scornicesti	***	
Formations of mountains by increment	Romania Scornicesti	**	
Bioremediation	Romania Scornicesti	*	
How plants grow	Turkey	**	
Recycle wisely	Turkey	*	
Heating stones	Turkey	*	

After uploading experiments to the Materials page,

- 1- Go to the Pages
- 2- Open the "1.Earth" Page
- 3- Edit Page
- 4- Click the cell which you want to upload your experiment
