## Activity:

Project logo

Date(s): 10 to 12 / 2018

What I learnt : How to do a logo appropriate for projects, companies...

How did I do: First in pairs we draw draw one logo and then we mixed all the logos and created one.

What I liked the most : collecting ideas for the logo and work in team.

What I liked less : Discuss the ideas for the first logo with my team mate because we didn't agree in first.

What I liked to change : some details of our first logo but it wasn't irrelevant because the final logo became incredible.

I discovered that I want to know more about : how to create the perfect logo for companies

And I intend to : study more about how can we do a good logo

**INDEX of ACTIVITIES**

Date(s)	Activity (brief description)	Page(s)

### Activity:

Visit to a local enterprise / factory

Date(s): 10 / 2016

What I learnt: how an enterprise works, how a factory works and the way that they produce their products

How did I do: Seeing how everything worked and listening our guide

What I liked the most: See the machines and how they worked

What I liked less: \_\_\_\_\_

What I liked to change: I liked to see more about the final product

I discovered that I want to know more about: how the machines work

And I intend to: search about how factories work (from the base to the final product)

### Activity:

School and city presentations / work market presentation

Date(s): 11.03 / 2023

What I learnt: I began realize about the others countries and their industries,  
enter companies and <sup>work</sup> offers.

How did I do: listening to the other countries' company presentations

What I liked the most: Discovered more about the countries.

What I liked less: Preparing our (PPT) presentations.

What I liked to change: ~~I would like to~~ winning

I discovered that I want to know more about: work market

And I intend to: study and search about work market abroad

## Activity:

Transnational meeting / learning activity in Budapest

Date(s): 3/00/23

What I learnt: to I learn more about the Hungarian culture and customs,  
I learn more about the work market existed in Hungary and their job  
offers. I improve my English and learn a little bit of other languages.

How did I do: With the activities that we did, interacting with people from  
different countries and visiting places in the capital.

What I liked the most: To visit some monuments and interact with the people  
from different countries.

What I liked less: I liked everything, it was a life-changing experience.

What I liked to change: Nothing

I discovered that I want to know more about: other countries like Hungary

And I intend to: search about ~~the~~ job offers in Budapest because I  
would like to work there. There is an amazing country city.

### Activity:

Role play "what to do not do in a job interview"

Date(s): 9 to 10 / 2017

What I have learnt:

How to make a role play about "what not to

I learn what I shouldn't do in a job interview

How I've learnt it:

Practising Performing job interview for the video and

watching youtube videos and talking with the teachers.

What I liked the most : Collect ideas about what not to do in a job interview

What I liked the least :

Edit the video

What I liked to change: The way that we organized the tasks.

I discovered that I want to know more about : The job interviews

And I intend to : explore <sup>more about</sup> how we should prepare us to have a good job interview

## Activity:

Transnational meeting / learning activity in Hilumaa

Date(s): 4 / 2018

What I have learnt:

I have learn how to speak some words in others languages.  
I discovered that ~~the~~ ~~can~~ ~~work~~ if we want we can work outside our  
country because there are lots of jobs offers abroad, much better  
than the offers that we have in our country. I also improved my English.

How I've learnt it:

Talking with the others people from the others countries  
and visiting factories and entrepreneurs, with the activities that  
the teachers organised.

What I liked the most : visiting the factory of plastic.

What I liked the least :

I liked everything, I just would like to had more time  
to ~~had~~ have visited more places.

What I liked to change: nothing, the activity was amazing.

I discovered that I want to know more about : work / jobs offers abroad

And I intend to : repeat this experience.

## Activity:

Teamwork "Step by step"

Date(s): 4 / 2019

What I have learnt:

I have learnt what we need to do to create an enterprise, step by step. I have learnt to be more extroverted and gain courage to discuss my ideas and work with people from other countries, and talk better in English.

How I've learnt it:

Discussing ideas with my team mates and with the help of the teachers.

What I liked the most : Do the job interviews.

What I liked the least :

The first contact with my team mates because I was very insecure, but then we started talking and the problem disappeared.

What I liked to change: Nothing, everything went well, because my team was fantastic and the teachers helped us.

I discovered that I want to know more about : How we can hire staff and make the choice of hire someone.

And I intend to : learn more about how we can create an enterprise.
