# Cuisine

- The Croatian gastronomy has influences from several neighboring countries. Its gastronomy is very simple despite being very heterogeneous, being known as the cuisine of the regions.
- Almost all meals are accompanied with salads and it is quite spicy. The main course is meat or fish with salad and then they eat fruit or dessert.
- Before the main course, they always use the soup, such as Manestra, which is a thick soup.

# SPORTS

- Sport in Croatia has a prominent role in Croatian society.
- The popular sports in Croatia are generally collective: football volleyball, handball, water polo and basketball; in individual sneakers, skiing, alpine, swimming, table tennis and chess.
- Croatia has participated in the Olympics of the Modern Era since 1992.
