

eTwinning Project Tasks Sheet

WRITE HERE:

- 1. How many high schools are taking part in the project? Where are they from? What are their names?**

5 schools are taking part in the project. They are from Poland, Turkey, Portugal, Bilbao and Barcelona. Their names are Karasu Atatürk Anadolu Lisesi (**3983km**), Escola Secundária Camilo Castelo Branco(**872km**), Il Liceum Ogólnokształcące im.(**2247 km**), Karasu Atatürk Anadolu Lisesi (**3983km**), Botikazar BHI and INS Ferran Tallada (**609km**)

- 2. Go to Google Maps. What are the distances between our school and the different schools of the project?**

	IES BOTIKAZAR BHI	Il Liceum Ogólnokształcące im.	Karasu Atatürk Anadolu Lisesi	Escola Secundária Camilo Castelo Branco	INS FERRAN TALLADA
IES BOTIKAZAR BHI	x	2.247km	3.983km	872km	609km
Il Liceum Ogólnokształcące im.	2.247km	x	2343km	3070km	2026km
Karasu Atatürk Anadolu Lisesi	3.983km	2343km	x	4563km	3644km
Escola Secundária Camilo Castelo Branco	872km	3070km	4563km	x	1250km

INS FERRAN TALLADA	609km	2026km	3644km	1250km	x
--------------------------	-------	--------	--------	--------	---

3. How many students are there in the project? How many of each school? How many of them have entered the project at least in one occasion? How many of them are using avatars? How many photos? How many are not using anything?

There are 43 students. They are 18 of IES Botikazar, 18 from Poland, 3 from Turkey, 0 from Portugal (only the teacher) and 4 from Barcelona. 26 have entered at least one occasion. 11 of them are using avatars, 9 use photos and 27 aren't using anything.

4. How many languages can you see in the 'Members' section? Which ones?

I see 31 languages. They are Български, bosanski, čeština, српски, Deutsch, ελληνικά, English, español, eesti keel, suomi, français, hrvatski, magyar, ՀԱՅԵՐԵՆ, italiano, ქართული ენა, lietuvių kalba, latviešu valoda, Македонски јазик, malti, nederlands, norsk, polski, português, română, Русский, slovenčina, slovensčina, shqip, svenska, Türkçe.

- **We need to create groups among the students of our school. Would you like to do them yourselves or would you prefer me to do them? What do you consider a good number of people to form a group? Write your opinion in this [padlet](#). Write your name as the title of your opinion.**

I have done it.
