

### 3. Suggestions for future improvements:

More free time, better organization, less stress on the hosts, we need better communication and info, more tutustumis leikkejä, get to know everyone not just your small group, maybe change the groups?, more power to the students when planning, more meetings before, Helsinki would have been better than Turku, we would have liked nature more than cities,

### 4. What things did you learn about Finnish nature, climate, art and history that you didn't know before?

Good tech, education system, ice hockey, Finnish history overall, whites vs reds, civil war, 1329, 1809, 1917, holidays, subjects, penttikarit, vanhat, security, abishow

Discuss these questions in your assigned small groups and write your answers, thoughts and suggestions to evaluate this mobility.

1. What have been the best things about this mobility?

Seeing new things and a lot of them, different cultures meeting, and many new people, free time!!, snow and outdoors, welcoming feeling, hosts were cool and nice, food, laskiaispulla, salmon, carrots, mämmi, salmiakki, abishou

2. What have been the worst things about this mobility?

The boat museum, unaccurate schedule, taking questionnaires, everything was unorganized, decorating, fast changes of plans, salmiakki,

Student evaluation form: Finland Mobility 10-15.2.2019

Discuss these questions in your assigned small groups and write your answers, thoughts and suggestions to evaluate this mobility.

1. What have been the best things about this mobility?

Food, snow, everyone being together, Vapriikki, Birgitanpolku, Pyynikki (both donuts and sledging), Sauna (finnish culture)

2. What have been the worst things about this mobility?

The boat museum, the schedule was too busy, and unorganized, ice sculptures and the teacher not being grateful for the work we did (decorating the school entrance)

3. Suggestions for future improvements:

More freetime, shorter days, less boring  
museums, more organized, teachers should  
listen to us more.

4. What things did you learn about Finnish nature, climate, art and history that you didn't know before?

Celebrations, civil war, nature is really  
beautiful

Student evaluation form: Finland Mobility 10-15.2.2019

Discuss these questions in your assigned small groups and write your answers, thoughts and suggestions to evaluate this mobility.

1. What have been the best things about this mobility?

- Meeting new people
- Seeing new things
- New experiences (especially Sauna and ice swimming)

2. What have been the worst things about this mobility?

- Ice sculpture exhibition
- Mobility could have been a couple of days longer
- Students should be more well informed

3. Suggestions for future improvements:

- Mobility could have been a couple of days longer
- Students should ~~be~~ be better informed

4. What things did you learn about Finnish nature, climate, art and history that you didn't know before?

- Civil war ~~was~~
- Valentines day is friendship day
- Many lakes
- ~~The~~ Finnish art is highly linked to nature

Finnish people <sup>love</sup> ~~like~~ ~~visit~~ Turkey.

# Group 3

Student evaluation form: Finland Mobility 10-15.2.2019

Discuss these questions in your assigned small groups and write your answers, thoughts and suggestions to evaluate this mobility.

1. What have been the best things about this mobility?

- sauna & avanto
- new friends
- trip to Turku
- pulkkamaiki
- different cultures
- Birgitan polku

2. What have been the worst things about this mobility?

- problems with schedule
- teachers had poor communication → students with the
- too much time with <sup>small</sup> groups
- changing plans
- too teacher-influences

3. Suggestions for future improvements:

- more student-influenced (free time especially)
- students should be more informed  
→ so they can be more active
- more meetings
- why always the groups ???
- no guided tours, ones where you can go freely are better

4. What things did you learn about Finnish nature, climate, art and history that you didn't know before?

- about the Civil War of Finland
- the coldness, ice and snow
- student culture: Penkkarit, Wanhhat
- about sauna and Moomins
- food; (salt) liquorice, mämmi, coffee
