Brussels to Copenhagen

Sunday 23rd September

- We had to leave very early on that day because we absolutely wanted to visit Copenhagen before going to Aarhus, so we met at 4:30am in front of our school to go to Charleroi Airport.
- At the airport, we checked in on our Ryanair flight, went through the security check, boarded the plane and took off at 6:40am.
- We arrived in Copenhagen at 8:15am and got on a train running from the airport to Central Station in the city center. We really enjoyed our day : the city center, a boat tour, the Little Mermaid, the Tivoli Gardens...
- At 5pm, we went back to the Central station to catch the 5:30 bus to Aarhus.
- We finally arrived at 9:20pm, exhausted but very happy, to Aarhus where our hosts were waiting to bring us home.

In Aarhus

We used local buses to get to school every day or to go to the city center to shoot our videos, but we also walked a lot.

- Our plane took off at 6:45am and we flew to Charleroi with a connection in Copenhagen.
- We arrived at 10:20am in Charleroi where a shuttle picked us up to take us to Brussels.
- After this long journey, we finally arrived home round noon.
