

BEAUTIFUL LANDSCAPES OF UKRAINE

**I THINK, THE MOST BEAUTIFUL PLACE IN
OUR COUNTRY ARE THE CARPATHIANS.
THERE WE CAN SEE THE MOST BEAUTIFUL
AND UNFORGETTABLE LANDSCAPES. THIS
PHOTO IS AN EXAMPLE OF ALL THE CHARM
OF THE CARPATHIANS. IN THE
FOREGROUND OF PHOTO WE CAN SEE OUR
MOUNTAINS AND MANY LARGE MOSS-
COVERED STONES. THE CARPATHIANS ARE
NOT HIGH MOUNTAINS COMPARED TO THE
STEEP CLIMBS OF THE HIMALAYAS.**

THE HIGHEST POINT OF THE UKRAINIAN MOUNTAINS IS MOUNT HOVERLA. THE HEIGHT OF THE MOUNTAIN REACHES 2061 M. EVERY YEAR, OVER 17,000 TOURISTS VISIT THE HOVERLA MOUNT ANNUALLY, EVEN FROM ABROAD. IT IS URGENT TO CLIMB A MOUNTAIN ESPECIALLY FOND OF CLIMBING A MOUNTAIN HILL BY SCOUT ORGANIZATIONS LIKE "PLAST". IN MY OPINION, THE CARPATHIANS CAN BE VISITED AT ANY TIME OF THE YEAR, THE MAIN THING IS TO GET THERE WHEN THE WEATHER IS GOOD. IN WINTER, YOU CAN GO DOWN THE STEEP MOUNTAINS ON SKIS, IN THE SUMMER YOU CAN HIKE THROUGH FORESTS, CAVES, WALK ALONG THE SHORES OF SMALL BUT WIDE RIVERS, ADMIRE THE BEAUTIFUL WATERFALLS.
