VT4P School development through students' eyes

Dear Students,

- This questionnaire is designed to seek and incorporate your voice in further school development plans.

- We want to see educational processes through your eyes!

Thank you for cooperation!!!

VT4P Erasmus plus international project team.

1. **What are the key factors for school development?**

2. **What learning /teaching processes at school help you learn effectively?**

3. **Is feedback from TEACHERS to STUDENTS important ? Why?**

4. **Do you get enough feedback from your teachers?**

6. **Do your teachers ask you for feedback?**
7. **How often do your teachers ask you for feedback?**

- What are the **strengths** your school should build on?

- What other questions would you include in the questionnaire?

Work in groups.

- prepare presentations based on your opinions (graphic representation/ concept map, etc.)
